With event pros around the world pivoting to virtual events, decision makers are spending countless hours researching every virtual partner they can find, trying to figure out what their new event program looks like as they forge ahead.

The BizBash team has been flooded with emails and phone calls asking for recommendations from event pros who don't even know where to start.

That's where you come in.

We're excited to debut the **Virtual Event Guide**. From event tech solutions to team building activities, this guide will feature **25 of the top products and services for virtual experiences**. We're cutting through the clutter to showcase our most innovative partners...YOU!

PROGRAM INCLUDES:

- A branded landing page outlining your offerings
- Links directing to your website, email, and/or phone number
- Logo inclusion on marketing materials including emails, website, and other marketing collateral (where applicable)
- Social media shoutouts on BizBash social channels, reaching nearly 315K #eventpros[†]
- Exposure to the nearly 1.5M users^{††} exploring BizBash.com

PRICING: \$4,000

Based on availability, program limited to only 25 partners

[†]As of 4/24/20

^{††}Stats aggregated from 1/2019 - 1/2020
