As travel restrictions and lockdowns are lifting, event pros are eager to get back to business. Whether they're looking to plan events in their local market, or explore spaces halfway across the country, they're turning to BizBash for ideas, inspiration, and partners to help bring their vision to life.

Following the success of the BizBash Virtual Event Guide, we're thrilled to announce **Virtual Site Visits**. This online resource was designed to showcase event spaces throughout North America, and beyond. Allow industry decision makers to go on a virtual site visit of your venue through videos, photos, floor plans, and more.

PROGRAM INCLUDES:

- A branded landing page outlining your offerings, including **10 photos**, **1 promotional video**, **virtual tour videos**, and **floor plans** of your event space(s)
- Links directing to your website, email, and phone number
- Logo inclusion on marketing materials including emails, website, and other marketing collateral (where applicable)
- Social media shoutouts on BizBash social channels, reaching more than 315K #eventpros[†]
- Exposure to the nearly 1.5M users[‡] exploring BizBash.com
