## The Definitive Event Guide for Reopening America

As we continue transforming our 2021 event strategies, it's clear we all desperately miss live experiences. But what's stopping us from planning an epic comeback?

This anticipated issue of BizBash magazine—**The Comeback Issue**—will celebrate our resilient industry, and the people revolutionizing virtual, hybrid, and in-person experiences.

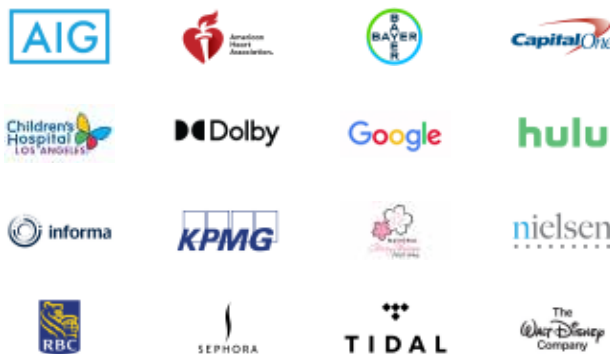

This all-new print and digital edition will be where key event decision makers from across the U.S. look for new event tech and virtual event solutions, safe and clean event venues, socially-distanced event layouts and activations, and everything in between.

## PACKAGES & SOLUTIONS

Make an even more powerful impact with an accompanying digital campaign. From social media targeting to video pre-roll, ask your BizBash rep about other ways to get your brand in front of this influential audience of event and meeting professionals.
